BW +3.2: WW +74: YW +130: MILK +29
A deep-bodied, massive, performance bull by Resource earning a 205-day wt. of 1030 lbs. for a weaning ratio of 112. His Pathfinder® dam by Bismarck records a weaning ratio of 107 on 4 calves.

BW +2.8: WW +70: YW +126: MILK +32
This Resource son takes honors as the heaviest weaning bull of his entire calf crop, earning a 205-day wt. of 1066 lbs. for a weaning ratio of 116. He is extra thick and loaded with muscle and will be appreciated by cowmen who sell pounds for a living.

BW +1.9: WW +72: YW +127: MILK +30
A moderate birth Resource bull with herd bull credentials. He demonstrates the muscle, volume, dimension and performance that has made his sire so popular. His Traveler 004 dam records a weaning ratio of 106 on 5 calves.

EPDs as of 11/30/15

SAV Resource 1441

The most popular, powerful, proven performance sire in the Angus breed and #1 semen revenue bull at Genex AI Stud. He represents the best of the timeless Rito 707 lineage and brings to the table the basics of efficiency and natural fleshing-ability, with thickness, muscle, masculinity, superb structure and authentic Angus breed character. His daughters are making ideal brood cows with high quality udders and his sons continue to dominate sales across the country where cowmen appraise real economic value. 85 direct progeny, six full siblings and 18 maternal siblings sell!
