Schaff Angus Valley® 113th Production Sale

Saturday • February 13, 2016 • 10 am at the ranch

500 BULLS & 200 FEMALES SELL!

The 2016 SAV Sale features large AI sire groups and a volume selection of seedstock affordable to the cowman. SAV bulls have earned a reputation for adding thickness, volume, muscle and real-world fleshing ability, while leaving moderate, beautiful-uddered, productive females. They are the kind ranchers demand and search for — adding pounds to your calcrop, maternal strength to your cowherd and dollars to your bottomline.

#5054

He sells! This Renown son from a Pathfinder dam by Bismarck earned a 205-day weight of 981 lbs.

FEATURING PERFORMANCE GENETICS FROM THE WORLD'S LEADING SOURCE OF REGISTRATIONS...

#5075
205 Wt. 924

This curve bender by Renown started with a modest birth weight of 69 lbs. and clearly demonstrates pounds in the right package, abounding with natural thickness, volume and sheer muscle. He exemplifies masculinity, early maturity and true Angus breed character. His moderate-framed, perfect-uddered Density dam is a model of efficiency and always weans a high percentage of her body weight.

Featuring many embryo progeny from these SAV herd matrons...

#5196
205 Wt. 937

An outstanding Renown son with length, muscle and a superb disposition. His Bismarck dam never fails to bring home a top calf and is from the Primrose family that was established at SAV in 1942.

#5265
205 Wt. 919

An International son with herd bull written all over him. His heavy milking Rito 7075 dam weaned the heaviest 205-day weight bull of the 2013 calf crop and records a weaning ratio of 105 on 3 calves.

#5278
205 Wt. 940

A super complete Renown son with exceptional thickness, muscle and masculinity. His Net Worth dam is a third generation Pathfinder® and is the #1 marbling cow in the SAV herd.

#5373
205 Wt. 889

A thick, stylish, well-balanced son of Hesston. He sells along with his beautiful Brand Name dam who has served in the SAV embryo program.

#5310
205 Wt. 922

This 3/14/15 Hesston son is the rancher's kind – thick, deep and loaded with muscle from front to back. His Rito 9969 dam records a weaning ratio of 106 on 3 calves and will qualify as a Pathfinder®.

#5027
205 Wt. 999

A proud representation of the first phenomenal offering by Renown, the \$175,000 lead-off bull from the 2014 SAV Sale who was recently enrolled at Genex AI Stud. He is awarded with length, muscle and natural good looks with herd bull credentials in every category. He started with a birth weight of 77 lbs. and earned a 205-day weight of 999 lbs. for a weaning ratio of 108. His productive dam from the Emblynette family records a weaning ratio of 110 on 3 calves and will qualify as a Pathfinder®.

THE #1 SALE FOR RANCHERS WHO SELL THEIR CATTLE BY THE POUND...

#5209
205 Wt. 1039

A powerhouse by Renown with length, growth, muscle and off the charts performance. He earned a 205-day weight of 1039 lbs. for a weaning ratio of 113. His Pathfinder® dam is a daughter of SAV Elba 1094 and records a weaning ratio of 109 on 5 calves.

#5087
205 Wt. 995

This AI stud prospect by Renown blends calving-ease with impeccable phenotype and performance. His Bismarck dam from the Madame Pride family descends from the first Schaff cow to be enrolled in embryo transplant.

#5270
205 Wt. 1019

A special favorite of the 2015 calf crop and one of the very best offered by SAV to date. This Resource son is genetically and phenotypically outstanding. He is superb in his structure with a powerful rump and tremendous length and muscle expression. He earned a 205-day weight of 1019 lbs. for a weaning ratio of 110. His productive, nice-uddered dam by Net Worth is a direct daughter of the maternal matriarch, SAV Madame Pride 0075, who continues to be a stellar producer in the SAV herd at 16-years of age.

Thick, capacious, easy-fleshing cattle bred to put pounds on the scale...

#5010
205 Wt. 1035

A scale-crusher by Renown equipped for the task of adding muscle, capacity, dimension and pounds to any calf crop. He earned a 205-day weight of 1035 lbs. for a weaning ratio of 112. His Brand Name dam is from the herd sire-producing SAV Abigale family.

#5103
205 Wt. 926

This attractive Resource son combines modest birth, length, muscle and docility with a sterling pedigree. He started with a birth weight of 77 lbs. and has never looked back. His moderate, beautiful dam by Pioneer has a flawless udder and is always a favorite of visitors to the ranch, descending from the breed icon, SAV Elba 1094.

#5064
205 Wt. 889

A stylish International son with abundant thickness and expressive muscle shape. His fertile, productive dam by Bismarck comes from two generations of elite Emblynette Pathfinders®.

#5251
205 Wt. 1019

A herd sire prospect by International with the credentials to be a herd-improver. He earned a 205-day weight of 1019 lbs. for a weaning ratio of 110. His dam is by Rito 9969 and his Pathfinder® grandam by Right Time is a maternal sister to Predominant.

FUNCTIONALLY AND GENETICALLY DESIGNED FOR THE COWMAN...

#5282
205 Wt. 1049

A picture is worth a thousand words. This incredible Renown son captures the attention of everyone who sees him with his flawless phenotype and herd bull presence. He is extra long, thick, stylish and loaded with muscle from front to back. He earned a 205-day weight of 1049 lbs. for a weaning ratio of 114. His solid-producing Net Worth dam was produced from four consecutive generations of Emblynette Pathfinders® and his prolific grandam continues in production at 19-years of age.

Predictable, powerful, performance genetics for the real world...

#3027
205 Wt. 999

In an ever-changing world, one thing that has never changed is that beef cattle continue to be sold by the pound. The 500 bulls selling on February 13, 2016, will add pounds to your calf crop and dollars to your bottom-line.

#5030
205 Wt. 946

A genuine beef bull by International with the thickness, volume and natural fleshing ability to thrive in any environment. His Pathfinder® dam by Bismarck records a weaning ratio of 107 on 5 calves.

#5196
205 Wt. 937

This Renown son is loaded with muscle, thickness and performance, the kind ranchers demand and search for. His Bismarck dam is moderate-framed and easy-fleshing with abundant milk and a perfect udder.

#5202
205 Wt. 927

The Harvester son will be appreciated by cowmen who sell pounds for a living and want thick, easy-fleshing cattle. His dam is a flush sister to Resource, the #1 semen revenue bull at Genex AI Stud.

#5005
205 Wt. 950

This unique, calving-ease bull by International started with a birth weight of 70 lbs. He presents abundant thickness, muscle and volume in a complete package. His Bismarck dam records a weaning ratio of 105 on 5 calves.

#5219
205 Wt. 1062

A performance powerhouse by Renown with explosive growth. He earned a 205-day weight of 1062 lbs. for a weaning ratio of 115. His Net Worth dam is a full sister to First Class and will qualify as a third generation Pathfinder®.

#5062
205 Wt. 980

This International son is a real-world beef bull loaded with thickness, muscle, volume and the performance properties to impact a program and make a lasting contribution. He earned a 205-day weight of 980 lbs. for a weaning ratio of 106 and boasts EPDs for weaning and yearling weight in the breed's top 1%. His productive dam by Rito 9969 records a weaning ratio of 107 on 3 calves and will qualify as a Pathfinder®, keeping with her maternal tradition.
