BIRTH	WEAN	YEARLING	MILK
+1.0	+75	+137	+25

SAV Raindance 6848 is the second lead-off bull from the 2017 SAV Sale and #1 semen sales bull at ST Genetics with destiny to be a future leader for Angus registrations. He earned a 205-day weight of 1053 lbs., a 365-day weight of 1640 lbs. and scanned a 365-day ribeye of 17.6 inches. His progeny are extra long, deep-bodied and stout-rumped with powerful performance and perfect phenotype – capturing the attention of the Angus world. This sale highlights his first progeny and four full siblings!

SAV Rainfall 6846

50
progeny
sell!!

BIRTH	WEAN	YEARLING	MILK
-.9	+63	+115	+33

SAV Rainfall 6846 is the \$460,000 second top-selling bull from the 2017 SAV Sale featured at Select Sires AI Stud. He blends proven calving-ease with dominating phenotype, superior conformation and cowmaker credentials. Rainfall is an early gestation, low birth weight sire that can be used with confidence on virgin heifers without sacrificing thickness, muscle, capacity, Angus breed character and real-world quality. This sale features his fabulous first offering and 14 full and maternal siblings.

Many additional sires represented!

FEATURING THE PHENOMENAL FIRST OFFERING BY PRESIDENT...

SAV America 8018

BW 83
205 Wt. 1107

BW +1.6: WW +82: YW +135: MILK +27 • President x SAV Madame Pride 0075 • WR 7/107
SAV America 8018 has been a standout since day one and on the radar of the Angus world, proudly representing the phenomenal first calfcrop by President. As great as his name, America shattered all records as the heaviest 205-day weight bull in SAV history at 1107 lbs. and presents himself with true herdbull authority. America results from the last embryo produced from the maternal matriarch, SAV Madame Pride 0075, who served the SAV program for nearly 18-years as the former high income-producing cow with profound influence.

SAV Madame Pride 0075

SAV Senator 8191

BW 90
205 Wt. 1012

BW +4.3: WW +80: YW +135: MILK +29
President x SAV Emblynette 4580 • WR 3/107
Dam is the #1 marbling cow in the SAV herd and flush sister to SAV Cattlemaster 4873 at ST Genetics.

THE GREATEST FEMALE OFFERING IN SAV HISTORY – TIMELESS MATERNAL GENETICS...

SAV Blackcap May 1420

A major sale attraction and priceless collector's item from the same historic flush that produced Resource. This fifth generation SAV embryo donor presents majestic maternal quality and is recognized by the Angus world as a mirror image of 4136 and the daughter that most closely resembles her world-renowned dam. This remarkable producer has tailed \$119,000 in receipts on her first eleven progeny and has multiple daughters retained in the SAV herd. She was featured on the front-cover of the 2015 SAV sale book with her son who scanned a record-breaking 365-day ribeye of 20.6 inches. She sells safe to President!

SAV Blackcap May 4136

The Angus breed's most influential genetic contributor and all-time top income-producing cow. She has 58 daughters retained in the SAV herd and an ever-growing list of herdsire sons. Her clone, influence and 14 direct progeny will highlight this event!

SAV Blackcap May 5440

This broody beauty is a special sale feature and SAV herd favorite being shared at the onset of her productive career. She is a full sister to the industry-proven herdsires, Seedstock and Sensation. She sells safe to Cut Above along with her son by Raindance!

SAV Erica 0242

This elite Pathfinder and herd treasure is a fifth generation SAV embryo donor with a top production record, stunning phenotype and a world-class udder. She sells safe to Charlo!

SAV Emblynette 5861

This brood cow by Hesston has beautiful body-type, udder quality and perfect feet – foundation material. Her Net Worth dam is superior producer and comes from four generations of elite Pathfinders. She sells safe to Sensation along with her daughter by Seedstock.

SAV Blackcap May 3212

This powerful brood matron by Resource blends a maternal excellence with a massive performance design. She is intensely linebred to the best of the Blackcap May family and sells safe to Raindance.

They sell! This snapshot of the sale heifers was taken last September shortly after being weaned and turned back to grass. The females were all raised without creep and developed to make long-term, profit-oriented producers. They represent the freshest genetics at SAV and include daughters from all the leading SAV embryo donors and top cow families. A grand opportunity to obtain authentic SAV prefix females from the heart and soul of the SAV breeding program with a lifetime of earning potential!
