## SAV Madame Pride 3145

This proven Pathfinder and herd favorite is among the most respected and highly regarded cows in the history of the SAV program with incomparable beauty in body type, femininity, fertility, feet and udder quality. She earned a weaning ratio of 107 on 8 calves. Her progeny include many of the top young cows in the SAV herd, the top-selling female in the 2022 SAV Sale and the featured lot 1 bulls in both the 2021 and 2022 SAV Sales, SAV Anthem 0042 and SAV Glory Days 1832. She is also the dam of SAV Circuit Breaker 7136, SAV American Flag 0233, SAV Riptide 1835 and more. Seven direct progeny by America, Certified and Scale House sell!

### SAV Madame Pride 3045

This maternal masterpiece and proven Pathfinder by Harvestor has 73 progeny highlighting past SAV sales. Eleven progeny by Renovation, Territory, Certified and Scale Crusher sell, including the heaviest weaning embryo bull of the 2022 calfcrop.

### SAV Circuit Breaker 7136

This massive performance herdsire is the top ribeye bull and third top-selling bull from the 2018 SAV Sale. He comes from the proven Pathfinder, SAV Madame Pride 3145. His progeny and maternal siblings sell.

### SAV Madame Pride 8086

Featuring a special offering from this one-of-a-kind breeding piece and new generation embryo donor by Resource from the proven Pathfinder, SAV Madame Pride 3145.

### SAV Anthem 0042

The \$225,000 lead-off lot 1 bull from the 2021 SAV Sale to Voss Angus. This America son out of SAV Madame Pride 3145 represents all the qualities we look for in an ideal breeding bull and will have a big future ahead. His first progeny as well as full and maternal siblings are featured.

### SAV Glory Days 1832

A real stock bull with muscle, capacity and soundness in high performance fashion. He is the product of the predictable mating of America to the proven Pathfinder, SAV Madame Pride 3145, and was selected by Vermilion Ranches as the \$82,500 featured lot 1 bull from the 2022 SAV Sale. Full and maternal siblings sell.

## SAV Credential 2223

BW 86 • 205 WT. 1018

He sells! This Certified x SAV Madame Pride 9962 has all the credentials of a major herd-improver with a bright future ahead. He earned a 205-day weight of 1018 lbs. for a weaning ratio of 109 and proudly represents the fantastic first calfcrop by the \$100,000 SAV Certified 0849. His 3-year-old President dam, SAV Madame Pride 9962, earned a weaning ratio of 110 on two calves with her first son selling to Semex AI Stud. His Pathfinder grandam, SAV Madame Pride 3145, is a herd favorite and records a weaning ratio of 107 on 8 calves.

### SAV Madame Pride 9962

### SAV Madame Pride 9967

### SAV Madame Pride 9966

A futuristic producer by President from the elite Pathfinder, SAV Madame Pride 3145. She earned a weaning ratio of 110 on her first two calves. A son was selected by Semex AI Stud from the 2022 SAV Sale and another, SAV Credential 2223, is featured in this event.

**SAV Madame Pride 8487**

This beautiful and balanced Rainfall daughter is a superstar and favorite amongst all 2018 model cows at SAV, serving as an eighth consecutive generation embryo donor. A full brother sells along with her progeny by Benchmark and Scale House.

# SAV Madame Pride 4407

Her daughter

## SAV Madame Pride 8375

An elite Pathfinder and special herd treasure with an unparalleled combination of phenotype, power, performance and maternal design. She results from the blending of Resource x Density and is a full sister in blood to Renovation. She earned a weaning ratio of 104 on 7 calves. She is the dam of the \$100,000 SAV Downpour 8794 and her daughters are rising to the top of the SAV herd. Her progeny by Rainfall and Certified sell along with her vast influence.

Eighth generation SAV embryo donor by President. 13 progeny by Bloodline, Certified and Territory sell.

## SAV Madame Pride 9851

A solid-to-the-ground President x 4407 daughter with moderation, muscle and maternal. A daughter by Scale House sells along with maternal siblings by Rainfall and Certified.

## SAV Madame Pride 9852

A maternal trendsetter with striking femininity and abundant milk from the predictable mating of President to the elite Pathfinder, SAV Madame Pride 4407. Her son by Certified pictured below sells.

## SAV Madame Pride 9853

A real-world brood cow loaded with power, depth and natural fleshing-ability from the mating of President to the elite Pathfinder, SAV Madame Pride 4407. Her son by Certified earned a 205-day weight of 1022 lbs. for a weaning ratio of 110 and is featured.

## SAV Certainty 2268

BW 84 • 205 WT. 945

He sells! Certified x SAV Madame Pride 9852. A perfect blend of phenotype, performance and maternal attributes, with certainty to advance a program in the right direction. His dam is a member of an elite tribe of full sisters from the predictable mating of President to the elite Pathfinder, SAV Madame Pride 4407.

## SAV Downpour 8794

A dominating sire of true performance with added dimension, ruggedness and substance, along with huge scrotal. First daughters in production are maternal standouts. He is the \$100,000 top-selling Rainfall bull from the 2019 SAV Sale where he was the #1 yearling weight bull. His progeny and five full and maternal siblings sell!

## SAV Beefhouse 2109

BW 90 • 205 WT. 1078

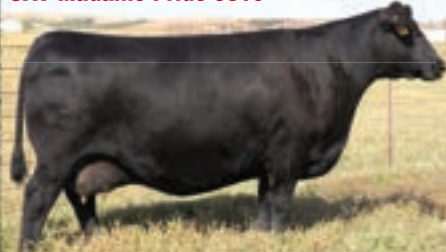

### SAV Madame Pride 8361

Dam of SAV Beefhouse 2109.

He sells! Scale House x SAV Madame Pride 8361. SAV Beefhouse 2109 is just what his name implies – a true beef bull with thickness, muscle, volume and pure pounds. He earned a 205-day weight of 1078 lbs. for a weaning ratio of 116, ranking among the two top-indexing bulls of his entire calfcrop. His powerful Resource dam records a weaning ratio of 111 on 3 calves and should qualify as a Pathfinder. His grandam, SAV Madame Pride 5810, is a maternal sister to the \$1.51 million America.

### SAV Madame Pride 5810

Featuring the influence of this massive brood matron and sixth generation embryo donor by International from the maternal matriarch SAV Madame Pride 0075. She is a maternal sister to the \$1.51 million SAV America 8018.

### SAV Madame Pride 5809

This front-pasture donor by International x SAV Madame Pride 0075 ranks among the best to ever walk SAV pastures. Five progeny by Revolution sell!

### SAV Madame Pride 7025

This one-of-a-kind brood matron by Charlo from the maternal matriarch SAV Madame Pride 0075 represents the best in old-school foundation genetics. Her son by Territory sells.

### SAV Madame Pride 1134

This phenomenal Pathfinder by Bismarck records a weaning ratio of 105 on 9 calves and has nine daughters working in the SAV herd and 58 progeny highlighting past SAV sales. She is the dam of the \$260,000 SAV Ten Speed 3022 at Genex AI Stud. Her Downpour son, SAV Dominant 2901, is a special sale feature.

### SAV American Grasslands 2048

BW 89 • 205 WT. 973

He sells! America x SAV Madame Pride 8051. A cowmen's bull with capacity, muscle and pounds in the right package. His moderate, nice-uddered Renown x Density dam records a weaning ratio of 104 on 3 calves and is a full sister to SAV Grasslands 5075.

## SAV Captain America 2122

BW 76 • 205 WT. 1003

He sells! America x SAV Emblynette 9022. A phenotypic standout with style, length, volume, muscle and big-time performance. He earned a 205-day weight of 1003 lbs. for a weaning ratio of 108. His 3-year old dam earned a weaning ratio of 107 on her first two calves. She is an identical twin sister to the dam of SAV Magnum 1335, the \$245,000 lead-off bull of the 2022 SAV Sale. His Renown x Net Worth grandam is the #1 milk EPD cow in the SAV herd and comes from three generations of Emblynette Pathfinders.

### SAV Emblynette 9023

This beautiful 3-year old brood matron earned a weaning ratio of 108 on two calves and is the dam to the \$345,000 SAV Magnum 1335 at ST Genetics. Her maternal sister by Bloodline and son by America sell!

### SAV Magnum 1335

The \$345,000 lead-off bull of the 2022 SAV Sale where he was the heaviest yearling weight bull and a multi-trait leader, selling to ST Genetics and Mohnen Angus. His service and a maternal brother by America is featured.

### SAV Emblynette 7010

This new generation SAV embryo donor by Charlo x Resource is a model cow with ideal size, udder quality and foot structure. She sells as a special feature carrying a Jesse James heifer calf along with her son by Certified.

### SAV Emblynette 3293

A major sale attraction! Unquestionably the single greatest proven herd matron ever offered in 120 productions sales held by the Schaff family. Known both as Density's all-time greatest daughter and the dam of the \$230,000 SAV Territory 7225, she compiles a mile-long resume and can launch any program to a new level. She sells safe to Jesse James along with ten progeny by Bloodline, Certified, Scale House and Scale Crusher!

### SAV Toned 2281

BW 87 • 205 WT. 1014

He sells! Territory x SAV Emblynette 8275. A rancher's bull with superior stoutness – ripped with muscle and thickness from front to back. He earned a 205-day weight of 1014 lbs. for a weaning ratio of 109. His moderate Charlo dam records a weaning ratio of 109 on 3 calves.

## SAV Stars N Stripes 2043

BW 78 • 205 WT. 963

He sells! This America x SAV Emblynnette 9035 is a personal favorite of his calfcrop with superior shape, structural integrity and authentic Angus breed character – the look of a breeding bull who will impact every calf he sires. He will be among the most important bulls to sell anywhere in 2023. His beautiful 3-year old dam represents everything we look for in an ideal cow. His grandam by Resource and Pathfinder third dam by Right Time have served in the SAV embryo program.

### SAV Emblynnette 7333

This fabulous fourth generation SAV embryo donor by Resource is the #1 IMF female of her calfcrop and records a weaning ratio of 106 on 4 calves, following the tradition of her Pathfinder dam by Right Time. Her grandson, SAV Stars N Stripes 2043, is featured.

### SAV Stars N Stripes 2043

He sells! America x SAV Emblynnette 9035. This photo taken prior to weaning depicts the masculinity, muscle definition and early maturity of this big-time herdsire prospect who has been a favorite from day one.

### SAV Emblynnette 9035

A tremendous 3-year old daughter of 316 x Resource x Right Time. She is moderate-framed and efficient with a beautiful udder and perfect feet. She comes from four generations of SAV embryo donors. Her America son is featured.

### SAV Emblynnette 3508

This 10-year old brood matron by Resource has assembled a superior production record with 12 daughters retained in the SAV herd and 37 progeny highlighting past SAV sales. Her son by Jesse James is featured.

### SAV Chophouse 2165

BW 86 • 205 WT. 994

He sells! Scale House x SAV Emblynnette 7455. A thick, durable, rugged-built bull with massive dimension and tons of muscle. He will add pounds and profit to every calf he sires. His dam by Seedstock x Resource x Bismarck is a model of efficiency from the Emblynnette family that was established at SAV in 1942.

# SAV Emblynette 2369

51 direct progeny sell in this event by Jesse James, Certified, Renovation, Rainfall, Density, Charlo, Encore and Rito 707 – an unprecedented offering and highlight of the entire sale season!

Her son

## SAV Bloodline 9578

The \$250,000 lead-off, top-selling bull from the 2020 SAV Sale. 60 progeny sell.

A true cornerstone Pathfinder unmatched in the breed for her combination of phenotype, performance and production. She is a multi-trait leader and third top income-producing cow in SAV history with 71 progeny earning \$2.2 million and 37 daughters retained. She records an IMF ratio of 123 on 70 progeny scanned. Her progeny include the \$250,000 SAV Bloodline 9578, the \$175,000 SAV Emblem 8074 and the \$75,000 SAV Ajax 8885.

## SAV Emblynette 8038

A flush sister to the \$175,000 SAV Emblem 8074. She is maternal supreme with exceptional femininity, fertility and udder quality. She earned a weaning ratio of 108 on 3 calves and should qualify as a Pathfinder. 51 maternal siblings sell.

## SAV Emblynette 9030

This spectacular 3-year old daughter of the breed-leading Pathfinder SAV Emblynette 2369 is sired by the \$800,000 SAV Elation 7899. She has joined the SAV embryo program as a favorite amongst the 2019 model cows. 51 maternal siblings sell.

## SAV Emblynette 9813

A fantastic flush sister to the \$250,000 SAV Bloodline 9578. This beautifully- designed Rainfall daughter serves as a new generation SAV embryo donor and raised the heaviest weaning heifer of the 2022 calfcrop. 51 full and maternal siblings sell.

## SAV Emblynette 6506

Featuring the influence of this exceptional SAV embryo donor by Renown x Net Worth. She is the dam of the \$60,000 SAV Checkmate 8158 at Genex AI Stud and maternal sister to SAV Emblynette 2369. Ten daughters are working in the SAV herd and 26 progeny highlighted past SAV sales.

## SAV Entrust 2134

BW 76 • 205 WT. 1029

He sells! Encore x SAV Emblynette 0668. Phenotypically and genetically outstanding outcross option with AI stud potential. He earned a 205-day weight of 1029 lbs. for a weaning ratio of 110. His 2-year-old America dam is a daughter of SAV Emblynette 6506 and is a maternal sister to the \$60,000 SAV Checkmate 8158 at Genex.

## SAV Easy Street 2289

BW 65 • 205 WT. 972

### SAV Ease 0840

Featuring his calving-ease progeny!

He sells! This standout by Ease x SAV Emblynnette 9801 has herdbull written all over him. He is thick and stout with abundant muscle, extra volume and rib-shape – the kind ranchers prefer. His 3-year old President x Bismarck x Net Worth dam comes from multiple generations of prolific producers. Her first son is enrolled at Select Sires AI Stud.

### SAV Emblynnette 7800

This fourth generation embryo donor by Renown is a maternal sister to SAV West River and SAV Catalyst, both at Genex AI Stud. A son was the top ribeye bull in the 2022 SAV Sale. Her President son sells.

### SAV Emblynnette 9801

A picturesque 3-year old President daughter. Her first son is working for Select Sires AI Stud. Her Bismarck x Net Worth x EXT dam comes from a long line of prolific producers. Her son pictured above by Ease sells.

### SAV Emblynnette 0084

This prolific 13-year old herd icon by Bismarck is a trait-leader for low birth and high milk. She records a weaning ratio of 105 on 9 calves and has multiple herdsire sons to her credit. Her Territory son sells.

### SAV Entitle 2337

BW 81 • 205 WT. 1001

He sells! Encore x SAV Emblynnette 0440. A valuable and versatile outcross calving-ease bull earning a 205-day weight of 1001 lbs. for a weaning ratio of 107. His 2-year old President dam is a maternal sister to the \$60,000 SAV Checkmate 8158 at Genex AI Stud.

### SAV Emblynnette 5377

This fabulous fifth generation SAV headliner donor walks with the best of the breed. Her pristine pedigree reads Renown x Bismarck x Net Worth x EXT. She hits a homerun with every mating and has 16 progeny selling by America, Bloodline, Encore and Scale Crusher!

## SAV Enrich 2135

BW 76 • 205 WT. 957

He sells! This Encore x SAV Emblynnette 0647 brings powerful phenotype and performance together with a breed-improving number profile and a versatile outcross pedigree that is employable on many bloodlines. His feminine, efficient, nice-uddered 2-year old dam by President comes from generations of prolific Pathfinders from the Emblynnette family.

### SAV Emblynnette 0647

2-year-old dam of SAV Enrich 2135.

### SAV Emblynnette 4271

This fourth generation Pathfinder by Harvestor is the grandam of SAV Enrich 2135 pictured above. She presents stellar phenotype, fertility and udder quality with top production, following tradition of her 17-year old Pathfinder dam. Four progeny by America sell!

### SAV Pancho Villa 0147

Featuring a fantastic full brother and promising first progeny of this highly popular \$160,000 second top-selling Renovation bull from the 2021 SAV Sale.

### SAV Emblynnette 3520

This beautiful Brand Name donor records a weaning ratio of 102 on 8 calves and comes from five consecutive generations of Pathfinder dams. Two sons by America are featured.

### SAV Easy Rider 0118

BW 76 • 205 WT. 998

He sells! Ease x SAV Emblynnette 0118. This excellent Ease son from a 2-year old America dam proudly represents his impressive new sire group. He earned a 205-day weight of 998 lbs. for a weaning ratio of 107, as his dam's first calf. His grandam, SAV Emblynnette 3520, comes from five generations of Emblynnette Pathfinders.

### SAV American Value 2107

BW 84 • 205 WT. 915

He sells! This America x SAV Emblynnette 3520 comes from a very predictable mating that balances all areas of phenotype, performance, maternal value and cow power. His Brand Name dam is a maternal sister to the \$80,000 SAV Mustang 8134 at Select Sires and comes from five generations of elite Pathfinders.

## SAV Born in the USA 2075

BW 90 • 205 WT. 1006

He sells! This America x SAV Elba 8433 is a majestic stunner with powerful phenotype, superb structure, explosive growth and dominating performance. He earned a 205-day weight of 1006 lbs. for a weaning ratio of 108. His stunning dam by Seedstock x International x Rito 9969 is a front-pasture feature with impeccable udder quality.

### SAV Rosetta 5171

This maternally-superior Pathfinder from the mating of Renown x Density records a weaning ratio of 108 on 6 calves and is the herd-leader for milk production. She is the dam of the \$50,000 SAV Countdown 1885. Four progeny by Rainfall and Grand Canyon sell!

### SAV America Proud 2229

He sells! Pictured here preweaning, this America son has been an early standout with shape, substance and style. His dam, SAV Abigale 7152, is a remarkable Resource daughter serving as a new generation SAV embryo donor from the same family that brought us Bismarck, Mandan and Charlo.

### SAV Elba 8433

A stunning Seedstock daughter with front-pasture phenotype and impeccable udder quality. Her International x Rito 9969 dam is out of the top-selling cow in the 2018 SAV Sale and is a maternal sister to SAV Bonanza 9586. Her America son is featured.

### SAV Grand Slam 2032

BW 85 • 205 WT. 937

He sells! This Grand Canyon son from SAV Elba 6235 is stout and thick with a powerful rump and extra bone – proudly represents the first calfcrop of his superb sire who has joined the roster at Select Sires AI Stud.

### SAV America Proud 2229

BW 82 • 205 WT. 951

He sells! This America x SAV Abigale 7152 is stunning from all angles with length, muscle and eye-catching style. His super-fronted, picturesque dam is a new generation SAV embryo donor from the same family that brought us Bismarck, Mandan and Charlo.

## SAV Responsible 2290

BW 92 • 205 WT. 1026

He sells! This Renovation x SAV Blackcap May 9881 is super complete with the balance and breeding of a major herdsire. He earned a 205-day weight of 1026 lbs. for a weaning ratio of 110. His nice-uddered 3-year old dam by Quarterback records a weaning ratio of 109 on two calves and is a full sister to SAV Panther 1906. His grandam, SAV Blackcap May 6644, is a flush sister to the world-record-selling flush of bulls.

### SAV Panther 1906
